
Introduced by Senator Scott

January 23, 2003

An act to repeal Section 44306 of the Education Code, relating to teacher credentialing.

LEGISLATIVE COUNSEL'S DIGEST

SB 84, as introduced, Scott. Pre-Internship Teacher Program: reports.

Existing law establishes the Pre-Internship Teaching Program, which authorizes the Commission on Teacher Credentialing to issue a preintern teaching certificate instead of an emergency multiple subject permit to an individual employed by a school district who meets specified minimum requirements set by the commission. Existing law required the commission to submit an interim report regarding the program to the Legislature and the Legislative Analyst no later than October 1, 2000, and a final report regarding the program no later than October 1, 2001.

This bill would repeal those obsolete reporting requirements.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.
